## *Castlemore-Kilcolman Parish Newsletter*

*St. Anthony said:  
"Charity is the soul of faith  
and makes it alive,  
without love, faith dies"*

Just as the pandemic rocked our world this last year, it was illness that knocked Saint Anthony off course exactly 800 years ago in 1221, hurtling him into darkness and despair, so fervent was his wish to serve God. He had thought he would die a martyr preaching the Gospel in Morocco, but then a terrible fever and a storm at sea brought him to the door of Saint Francis of Assisi. He arrived just as a meeting was to take place. It was the feast of Pentecost 1221 and thousands of friars had gathered in Assisi from all over Europe in what has come to be known as the Chapter of Mats. St. Anthony was greatly consoled by the teachings of Saint Francis and a new path opened up to him, one that would change his world and ours forever. As we remember this historic turning point in St. Anthony's life, we can consider our own journey as we emerge from the ravages of the Covid 19 pandemic into what must hope is a new and better world. In Saint Anthony's struggles we can see reflected our own and we can take comfort from his values and unswerving trust in God to help us live through this pandemic in a resilient way.

### Vocations Sunday April 24th 2021

"The Lord's call is not an intrusion of God in our freedom; it is not a "cage" or a burden to be borne. On the contrary, it is the loving initiative whereby God encounters us and invites us to be part of a great undertaking. He opens before our eyes the horizon of a greater sea and an abundant catch."- Pope Francis. **Priesthood in Achonry Diocese – Have you the courage to take a risk for God's promise?.** Contact Our Vocations Director, Fr Paul Kivlehan, The Presbytery, Ballaghaderreen, Co.
